

Specification

Technical Data Sheet

Product Name	Thionyl chloride, 1M soln. in dichloromethane
---------------------	---

Product No	89999013
-------------------	----------

CAS Number	7719-09-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	118.97
-------------------------	--------

Specification

Appearance	Clear colourless to pale yellow solution
-------------------	--

Assay	0.95-1.05M
--------------	------------
