

Specification

Technical Data Sheet

Product Name	Magnesium perchlorate, anhydrous, ACS
---------------------	---------------------------------------

Product No	89999191
-------------------	----------

CAS Number	10034-81-8
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	223.21
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
