

# Specification

## Technical Data Sheet

<b>Product Name</b>	Cobalt(II) sulfate
---------------------	--------------------

<b>Product No</b>	89999246
-------------------	----------

<b>CAS Number</b>	10124-43-3
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	155.0
-------------------------	-------

### Specification

<b>Appearance</b>	Light purple powder
-------------------	---------------------

<b>Cu</b>	Max 100ppm
-----------	------------

<b>Fe</b>	Max 100ppm
-----------	------------

<b>Assay</b>	98%
--------------	-----

<b>Ni</b>	Max 200ppm
-----------	------------

<b>Zn</b>	Max 100ppm
-----------	------------
