

Specification

Technical Data Sheet

Product Name	Sodium hydroxide - aqueous solution 50%
---------------------	---

Product No	90004910
-------------------	----------

CAS Number	1310-73-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	40.00
-------------------------	-------

Specification

Appearance	Clear colourless liquid, may form transparent precipitate
-------------------	---

Assay	50% ca. (w/w)
