

Specification

Technical Data Sheet

Product Name	Sodium hydrogen sulfate
---------------------	-------------------------

Product No	90004912
-------------------	----------

CAS Number	7681-38-1
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	120.06
-------------------------	--------

Specification

Appearance	White to off-white grain crystal
-------------------	----------------------------------

Assay/Purity	$\geq 98.0\%$
---------------------	---------------

Conclusion	$\leq 0.05\%$
-------------------	---------------

Heavy metals	$\leq 0.02\%$
---------------------	---------------

Identification	Conforms to reference
-----------------------	-----------------------

Iron (Fe)	$\leq 0.1\%$
------------------	--------------
