

Specification

Technical Data Sheet

Product Name	Manganese(IV)oxide
---------------------	--------------------

Product No	90005045
-------------------	----------

CAS Number	1313-13-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	86.94
-------------------------	-------

Specification

Appearance	Grey/ black powder or chunks
-------------------	------------------------------

Molecular Weight	86.94
-------------------------	-------

Cu	0.001% max
-----------	------------

Fe	0.02% max
-----------	-----------

Water	1.2% min - 1.8% max
--------------	---------------------

Assay	90% min - 100%max
--------------	-------------------

Heavy Metals (Pb)	0.001% max
--------------------------	------------

Specification

insoluble in HCL 0.06% max

Sulfate (SO4) 0.05% MAX

Cobalt (Co) 0.001% max
