

# Specification

## Technical Data Sheet

<b>Product Name</b>	Alphazurine A (Acid Blue 7)
---------------------	-----------------------------

<b>Product No</b>	90005052
-------------------	----------

<b>CAS Number</b>	3486-30-4
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	690.80
-------------------------	--------

### Specification

<b>Appearance</b>	Bluish to Maroon to Dark Purple Powder
-------------------	--

<b>Loss on Drying</b>	≤ 5%
-----------------------	------

<b>Solubility</b>	Clear to Opaque, Dark Blue Solution
-------------------	-------------------------------------

<b>Identification (IR)</b>	Conforms to structure
----------------------------	-----------------------
