

# Specification

## Technical Data Sheet

|                     |             |
|---------------------|-------------|
| <b>Product Name</b> | TDA Reagent |
|---------------------|-------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 90005084 |
|-------------------|----------|

|                   |           |
|-------------------|-----------|
| <b>CAS Number</b> | 7647-01-0 |
|-------------------|-----------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

### Specification

|                   |                 |
|-------------------|-----------------|
| <b>Appearance</b> | Yellow solution |
|-------------------|-----------------|
