

Specification

Technical Data Sheet

Product Name	Benzotriazole
---------------------	---------------

Product No	90005191
-------------------	----------

CAS Number	95-14-7
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	119.12
-------------------------	--------

Specification

Appearance	White needle crystal
-------------------	----------------------

Ash	≤0.5%
------------	-------

Melting Point	96 - 98°C
----------------------	-----------

pH	4 - 6
-----------	-------

Water	≤0.5%
--------------	-------

Assay	≥99%
--------------	------

Chroma	≤100
---------------	------
