

# Specification

## Technical Data Sheet

<b>Product Name</b>	Hydrogen peroxide 35%
---------------------	-----------------------

<b>Product No</b>	90005313
-------------------	----------

<b>CAS Number</b>	7722-84-1
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	34.01
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colourless liquid
-------------------	-------------------------

<b>pH</b>	≤ 3.5
-----------	-------

<b>Strength</b>	34.5 - 35.5%
-----------------	--------------
