

Specification

Technical Data Sheet

Product Name	Silica gel Blue
---------------------	-----------------

Product No	90005631
-------------------	----------

CAS Number	112926-00-8
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	60.08
-------------------------	-------

Specification

Appearance	Blue pellets
-------------------	--------------

Bulk density	700 - 800g/l
---------------------	--------------

Moisture	≤ 2%
-----------------	------

Silica SiO₂	≥ 98%
-------------------------------	-------
