

Specification

Technical Data Sheet

Product Name	Sulfuric Acid 0.2M standardised volumetric solution
---------------------	---

Product No	90018440
-------------------	----------

CAS Number	7664-93-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	98.08
-------------------------	-------

Specification

Appearance	Clear colourless solution
-------------------	---------------------------

Molarity (Titration)	0.200M \pm 0.01M
-----------------------------	--------------------
