

Specification

Technical Data Sheet

Product Name	Potassium phosphate tribasic
---------------------	------------------------------

Product No	90018476
-------------------	----------

CAS Number	7778-53-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	212.27
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Heavy metals	≤ 10mg/kg
---------------------	-----------

Loss on Drying	≤ 5.0%
-----------------------	--------

pH	11.5 - 12.5
-----------	-------------

Assay	≥ 97% (on dried basis)
--------------	------------------------

Fluoride (F)	≤ 10.0mg/kg
---------------------	-------------

Arsenic (As)	≤ 3.0mg/kg
---------------------	------------

Specification

Lead (Pb) $\leq 2.0\text{mg/kg}$

Water Insolubles $\leq 0.2\%$
