

Specification

Technical Data Sheet

Product Name	Hydrobromic acid approx. 48%
---------------------	------------------------------

Product No	90018484
-------------------	----------

CAS Number	10035-10-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	80.91
-------------------------	-------

Specification

Appearance	Brown to clear colourless liquid
-------------------	----------------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Assay	47%~50%
--------------	---------

Chloride (Cl)	≤0.05%
----------------------	--------

Iron (Fe)	≤0.001%
------------------	---------

Sulfate (SO4)	≤0.02%
----------------------	--------
