

Specification

Technical Data Sheet

| | |
|---------------------|---------------------------------|
| Product Name | Hydrochloric acid 37% Ultrapure |
|---------------------|---------------------------------|

| | |
|-------------------|----------|
| Product No | 90018922 |
|-------------------|----------|

| | |
|-------------------|-----------|
| CAS Number | 7647-01-0 |
|-------------------|-----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|-------|
| Molecular Weight | 36.46 |
|-------------------------|-------|

Specification

| | |
|-------------------|---------------------------------------|
| Appearance | Clear, colourless/ pale yellow liquid |
|-------------------|---------------------------------------|

| | |
|--------------|-----------|
| Assay | 34 - 37 % |
|--------------|-----------|

| | |
|---------------------|---------|
| Bromine (Br) | < 10ppm |
|---------------------|---------|

| | |
|----------------------|------------|
| Colour (APHA) | < 10 Hazen |
|----------------------|------------|

| | |
|----------------------|----------|
| Free Chlorine | < 0.5ppm |
|----------------------|----------|

| | |
|--------------------|------------------|
| Sulphur (S) | < 0.3ppm (total) |
|--------------------|------------------|

| | |
|-----------------------|-------------------|
| Phosphorus (P) | < 0.01ppm (total) |
|-----------------------|-------------------|
