

Specification

Technical Data Sheet

Product Name	Tetrabutylammonium phosphate
---------------------	------------------------------

Product No	90018952
-------------------	----------

CAS Number	5574-97-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	339.45
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Loss on Drying	$\leq 2.0\%$
-----------------------	--------------

Residue on ignition	$\leq 0.5\%$
----------------------------	--------------

Assay (Titration)	$\geq 97\%$
--------------------------	-------------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
