

Specification

Technical Data Sheet

Product Name	N-Phenyl-N-cyclohexyl-p-phenylenediamine
---------------------	--

Product No	90018990
-------------------	----------

CAS Number	101-87-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	266.39
-------------------------	--------

Specification

Appearance	Greyish brown to puce powder
-------------------	------------------------------

Loss on Drying	$\leq 0.50\%$
-----------------------	---------------

Melting Point	$\geq 113\text{ }^{\circ}\text{C}$
----------------------	------------------------------------

Water	$\leq 1.00\%$
--------------	---------------

Purity (HNMR)	$\geq 97.0\%$
----------------------	---------------
