

Specification

Technical Data Sheet

Product Name	Hydrogen Chloride 4M in 1,4-Dioxane
---------------------	-------------------------------------

Product No	90019020
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.46
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay (Titration)	3.7-4.4 M
--------------------------	-----------

Water Content (KF)	≤0.3%
---------------------------	-------

Manufacturing Date	DD/MM/YYYY
---------------------------	------------
