

Specification

Technical Data Sheet

Product Name	4-Bromo-2,1,3-benzothiadiazole
---------------------	--------------------------------

Product No	90020176
-------------------	----------

CAS Number	22034-13-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	215.07
-------------------------	--------

Specification

Appearance	Yellow to grayish solid
-------------------	-------------------------

Content	>97%
----------------	------

Moisture	<1.0%
-----------------	-------
