

Specification

Technical Data Sheet

Product Name	Tetrazole 1% solution in N-Methylpyrrolidone
---------------------	--

Product No	90021909
-------------------	----------

CAS Number	288-94-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	70.0534
-------------------------	---------

Specification

Appearance	Solution
-------------------	----------
