

Specification

Technical Data Sheet

Product Name	Zirconyl nitrate 35% solution in dilute nitric acid
---------------------	---

Product No	90022643
-------------------	----------

CAS Number	13826-66-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	231.23
-------------------------	--------

Specification

Appearance	Liquid
-------------------	--------
