

Specification

Technical Data Sheet

Product Name	Mordant Blue 13
---------------------	-----------------

Product No	90023049
-------------------	----------

CAS Number	1058-92-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	518.81
-------------------------	--------

Specification

Appearance	Black powder
-------------------	--------------

Absorbance(E1%1cm)	≥ 320
---------------------------	------------

Lambda MAX.2	526 nm~530nm
---------------------	--------------

Lambda max.	552 nm~556nm
--------------------	--------------
