

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium Hydroxide - aqueous solution 30%
---------------------	---

<b>Product No</b>	90023200
-------------------	----------

<b>CAS Number</b>	1310-73-2
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	40.00
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colourless liquid
-------------------	-------------------------

<b>Assay</b>	29.0 - 31.0%
--------------	--------------

<b>Specific Gravity</b>	1.320 - 1.342 (@ 15.5°C)
-------------------------	--------------------------
