

Specification

Technical Data Sheet

Product Name	Sodium Hydroxide - aqueous solution 10%
---------------------	---

Product No	90023207
-------------------	----------

CAS Number	1310-73-2
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	40.00
-------------------------	-------

Specification

Appearance	White cloudy liquid
-------------------	---------------------

Assay	9.0 - 11.0%
--------------	-------------

Specific gravity at 20 Deg C	1.100 - 1.124
-------------------------------------	---------------
