

# Specification

## Technical Data Sheet

<b>Product Name</b>	Isophorone diisocyanate (IPDI)
---------------------	--------------------------------

<b>Product No</b>	90023219
-------------------	----------

<b>CAS Number</b>	4098-71-9
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	222.28
-------------------------	--------

### Specification

<b>Appearance</b>	colourless to slightly yellow liquid
-------------------	--------------------------------------

<b>Assay (GC)</b>	≥ 99.5%
-------------------	---------

<b>Customer part no.:</b>	CHEM375P
---------------------------	----------

<b>Hydrolyzable Chlorine</b>	≤ 200mg/kg
------------------------------	------------

<b>Manufacturer's Lot Number</b>	-
----------------------------------	---

<b>NCO</b>	37.5 - 37.8%
------------	--------------

<b>Specification</b>	WS 16305C
----------------------	-----------

## Specification

---

**Total chlorine**  $\leq 400$  mg/kg

---

**Colour (hazen)** -

---
