

# Specification

## Technical Data Sheet

<b>Product Name</b>	Thioglycolic acid sodium salt 45-50% solution in water
---------------------	--

<b>Product No</b>	90023910
-------------------	----------

<b>CAS Number</b>	367-51-1
-------------------	----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	114.09879
-------------------------	-----------

### Specification

<b>Appearance</b>	Colourless, possible slightly violet- pink coloured solution
-------------------	--

<b>pH</b>	6.5-8.5
-----------	---------

<b>Assay (Titration)</b>	45-52%
--------------------------	--------
