**PRODUCT****N-Succinyl-Ala-Ala-Pro-Phe p-nitroanilide**

|                          |              |
|--------------------------|--------------|
| <b>Product number</b>    | 90024382     |
| <b>CAS number</b>        | 70967-97-4   |
| <b>Molecular formula</b> | C30H36N6O9   |
| <b>Molecular weight</b>  | 624.64 g/mol |

| PARAMETER            | SPECIFICATION                 |
|----------------------|-------------------------------|
| <b>Appearance</b>    | Off-white to yellowish powder |
| <b>Purity (HPLC)</b> | ≥95%                          |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
