

Specification

Technical Data Sheet

Product Name	Hydrochloric acid 5M
---------------------	----------------------

Product No	90024714
-------------------	----------

CAS Number	7647-01-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	36.46
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay	4.90-5.20M
--------------	------------
