

Specification

Technical Data Sheet

Product Name	Picric Acid 1.3% (w/w) Aqueous Solution
---------------------	---

Product No	90025030
-------------------	----------

CAS Number	88-89-1
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	229.1
-------------------------	-------

Specification

Appearance	Yellow solution
-------------------	-----------------

Assay (Mass Balance)	1.3% (w/w)
-----------------------------	------------
