

# Specification

## Technical Data Sheet

<b>Product Name</b>	Hexadecane 99%
---------------------	----------------

<b>Product No</b>	90025164
-------------------	----------

<b>CAS Number</b>	544-76-3
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	226.44
-------------------------	--------

### Specification

<b>Appearance</b>	Clear colorless liquid
-------------------	------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	≥99.0%
--------------	--------
