**PRODUCT****n-Hexane**

|                          |                                                                 |
|--------------------------|-----------------------------------------------------------------|
| <b>Product number</b>    | 90025558                                                        |
| <b>CAS number</b>        | 110-54-3                                                        |
| <b>Molecular formula</b> | CH <sub>3</sub> (CH <sub>2</sub> ) <sub>4</sub> CH <sub>3</sub> |
| <b>Molecular weight</b>  | 86.18 g/mol                                                     |

| PARAMETER               | SPECIFICATION           |
|-------------------------|-------------------------|
| <b>Appearance</b>       | Clear colourless liquid |
| <b>Refractive Index</b> | 1.375                   |
| <b>Assay GC</b>         | 99.2%                   |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

Molekula Ltd would like to thank you for your support of our products and service.
