

# Specification

## Technical Data Sheet

<b>Product Name</b>	Boron trichloride 1M in Dichloromethane
---------------------	---

<b>Product No</b>	90025649
-------------------	----------

<b>CAS Number</b>	10294-34-5
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	117.17
-------------------------	--------

### Specification

<b>Appearance</b>	Clear, colourless to very pale yellow liquid
-------------------	--

<b>Assay (Titration)</b>	0.9-1.1M
--------------------------	----------
