**PRODUCT****Dichloromethane MIL-D-6998D**

|                          |                                 |
|--------------------------|---------------------------------|
| <b>Product number</b>    | 90025874                        |
| <b>CAS number</b>        | 75-09-2                         |
| <b>Molecular formula</b> | CH <sub>2</sub> Cl <sub>2</sub> |
| <b>Molecular weight</b>  | 84.93 g/mol                     |

| PARAMETER             | SPECIFICATION           |
|-----------------------|-------------------------|
| <b>Appearance</b>     | Clear colourless liquid |
| <b>Purity</b>         | ≥99.9%                  |
| <b>Identification</b> | Conforms to reference   |
| <b>Water</b>          | ≤50 ppm w/w             |
| <b>Colour</b>         | ≤10                     |
| <b>Free Chlorine</b>  | Pass                    |
| <b>NVR</b>            | ≤10 ppm w/w             |

|                                |                                                                                                                                                                                                                   |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>SPECIFICATION STATEMENT</b> | The values stated above represent the standard specification for this product, issued under <b>Molekula Ltd</b> 's quality management system. Batch-specific results are provided on the Certificate of Analysis. |
| <b>STORAGE</b>                 | Store as indicated on the product label, away from light, moisture and incompatible materials.                                                                                                                    |

**Molekula Ltd** would like to thank you for your support of our products and service.
