

# Specification

## Technical Data Sheet

<b>Product Name</b>	Dimethylamine 2M in Methanol
---------------------	------------------------------

<b>Product No</b>	90026038
-------------------	----------

<b>CAS Number</b>	124-40-3
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	45.08
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colourless Liquid
-------------------	-------------------------

<b>Assay (Titration)</b>	1.9-2.1M
--------------------------	----------

<b>Methylamine</b>	≤300ppm
--------------------	---------
