

Specification

Technical Data Sheet

Product Name	Polypropylene glycol 2000
---------------------	---------------------------

Product No	90026230
-------------------	----------

CAS Number	25322-69-4
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	2000
-------------------------	------

Specification

Appearance	Colourless Liquid
-------------------	-------------------

Colour (Pt-Co)	0 - 80
-----------------------	--------

Water	≤0.5%
--------------	-------

Acid value(mgKOH/g)	≤0.5
----------------------------	------

Hydroxy Value (mgKOH/g)	51 - 62
--------------------------------	---------

MW	1800 - 2200
-----------	-------------
