

Specification

Technical Data Sheet

Product Name	beta-Ionone
---------------------	-------------

Product No	90026245
-------------------	----------

CAS Number	14901-07-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	192.30
-------------------------	--------

Specification

Appearance	Yellow liquid
-------------------	---------------

Assay	≥97%
--------------	------
