

# Specification

## Technical Data Sheet

<b>Product Name</b>	Tetrasodium Iminodisuccinate
---------------------	------------------------------

<b>Product No</b>	90026266
-------------------	----------

<b>CAS Number</b>	144538-83-0
-------------------	-------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	337.10
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>pH (10g/ l solution)</b>	8.5-11.5
-----------------------------	----------

<b>Solid Content</b>	≥93%
----------------------	------

<b>Solubility at 20 (g/100g H2O)</b>	Water soluble
--------------------------------------	---------------

<b>Bulk Density g/cm<sup>3</sup></b>	0.35-0.65
--------------------------------------	-----------

<b>Moisture Content (KF)</b>	≤7%
------------------------------	-----
