

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ammonia 10% in Methanol (5.8M)
---------------------	--------------------------------

<b>Product No</b>	90026300
-------------------	----------

<b>CAS Number</b>	7664-41-7
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	17.03
-------------------------	-------

### Specification

<b>Appearance</b>	Clear, colourless liquid
-------------------	--------------------------

<b>Assay</b>	5.6-6.0M
--------------	----------

<b>Product ID</b>	Molekula: 90026300
-------------------	--------------------
