

Specification

Technical Data Sheet

Product Name	Zinc pyroglutamate (Zinc PCA)
---------------------	-------------------------------

Product No	90026336
-------------------	----------

CAS Number	15454-75-8
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	321.6
-------------------------	-------

Specification

Appearance	White to off white/ pale yellow powder
-------------------	--

Loss on Drying	≤ 5.0%
-----------------------	--------

pH	5.0 - 6.0
-----------	-----------

PCA Content	78.3 - 82.3%
--------------------	--------------

Zinc	17.4 - 21.3%
-------------	--------------

Arsenic (As)	≤ 2ppm
---------------------	--------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------

Specification

Lead (Pb)

$\leq 20\text{ppm}$
