

Specification

Technical Data Sheet

Product Name	Sodium tert-pentoxide 2.5M (30% w/w) in THF
---------------------	---

Product No	90026387
-------------------	----------

CAS Number	14593-46-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	110.13
-------------------------	--------

Specification

Appearance	Yellow to light brown liquid
-------------------	------------------------------

Assay	2.42-2.58M (29-31% w/w)
--------------	-------------------------
