

Specification

Technical Data Sheet

Product Name	Titanium(IV)chloride,0.09M solution in 20%HCl
---------------------	---

Product No	90026388
-------------------	----------

CAS Number	7550-45-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	189.68
-------------------------	--------

Specification

Appearance	Clear Colourless to pale yellow Liquid
-------------------	--

Assay (Mass Balance)	0.08-0.10M
-----------------------------	------------
