

Specification

Technical Data Sheet

Product Name	Trimethylamine, 1M in Tetrahydrofuran
---------------------	---------------------------------------

Product No	90026389
-------------------	----------

CAS Number	75-50-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	59.11
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay (Titration)	0.95M - 1.05M
--------------------------	---------------
