

Specification

Technical Data Sheet

Product Name	Ammonia, 0.5M solution in Tetrahydrofuran
---------------------	---

Product No	90026390
-------------------	----------

CAS Number	7664-41-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	17.03
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay (Titration)	0.4-0.6M
--------------------------	----------
