

# Specification

## Technical Data Sheet

<b>Product Name</b>	Trimethylamine, 33%(wt/wt) in Ethanol
---------------------	---------------------------------------

<b>Product No</b>	90026394
-------------------	----------

<b>CAS Number</b>	75-50-3
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	59.11
-------------------------	-------

### Specification

<b>Appearance</b>	Clear colourless solution
-------------------	---------------------------

<b>Assay</b>	32-34% (w/w) (4.06-4.31M)
--------------	---------------------------
