

# Specification

## Technical Data Sheet

<b>Product Name</b>	Oxalyl chloride, 2.0M in dichloromethane
---------------------	--

<b>Product No</b>	90026439
-------------------	----------

<b>CAS Number</b>	79-37-8
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	126.93
-------------------------	--------

### Specification

<b>Appearance</b>	Clear colourless to yellow liquid
-------------------	-----------------------------------

<b>Assay (Mass Balance)</b>	1.9-2.2M
-----------------------------	----------
