

# Specification

## Technical Data Sheet

<b>Product Name</b>	Dimethylsilanediol
---------------------	--------------------

<b>Product No</b>	90026440
-------------------	----------

<b>CAS Number</b>	1066-42-8
-------------------	-----------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	92.1692
-------------------------	---------

### Specification

<b>Appearance</b>	White snowflake crystal
-------------------	-------------------------

<b>Purity</b>	≥95.0%
---------------	--------
