

Specification

Technical Data Sheet

Product Name	1-Propenylmagnesium bromide, 0.5 M in THF
---------------------	---

Product No	90026453
-------------------	----------

CAS Number	14092-04-7
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	145.28
-------------------------	--------

Specification

Appearance	Light yellow, orange to brown liquid
-------------------	--------------------------------------

Assay (Titration)	0.45-0.55M
--------------------------	------------
