

Specification

Technical Data Sheet

Product Name	Ammonia 0.5M in 1,4-Dioxane
---------------------	-----------------------------

Product No	90026455
-------------------	----------

CAS Number	7664-41-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	17.03
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay (Titration)	0.4M - 0.6M
--------------------------	-------------

Customer Batch Number	Customer Batch Number
------------------------------	-----------------------
