

Specification

Technical Data Sheet

Product Name	Trimethylamine 50 % aqueous solution
---------------------	--------------------------------------

Product No	90026567
-------------------	----------

CAS Number	75-50-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	59.11
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay	48-52%
--------------	--------
