

# Specification

## Technical Data Sheet

|                     |                                    |
|---------------------|------------------------------------|
| <b>Product Name</b> | 2-Methyl-2-propanol (tert-Butanol) |
|---------------------|------------------------------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 90026606 |
|-------------------|----------|

|                   |         |
|-------------------|---------|
| <b>CAS Number</b> | 75-65-0 |
|-------------------|---------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

|                         |       |
|-------------------------|-------|
| <b>Molecular Weight</b> | 74.12 |
|-------------------------|-------|

### Specification

|                   |  |
|-------------------|--|
| <b>Appearance</b> | Colourless transparent liquid or crystal |
|-------------------|--|

|              |              |
|--------------|--------------|
| <b>Water</b> | $\leq 0.1\%$ |
|--------------|--------------|

|              |               |
|--------------|---------------|
| <b>Assay</b> | $\geq 99.5\%$ |
|--------------|---------------|
